Cover Letter for Manuscript Submission

Dear Prof. Ozturk and Prof. Kandir

Attached, please find the manuscript, “The dynamics of the monetary policy volatility: A spectrum-VAR approach”, co-authored by Reza Moosavi Mohseni and Jiling Cao. We believe our model and findings in this paper could be interesting for mathematical economic audiences, especially bankers and monetary authorities.

I submit this paper for your consideration for publication in the *International Journal of Economics and Financial Issues*. If you have any further request(s), please do not hesitate to contact me.

Thanks in advance.

Yours sincerely,
Reza Moosavi Mohseni
